

American Hemerocallis Society Display Garden Evaluation Form

Garden name: _____

Garden owner: _____ Region: _____

Reviewer name: _____

Date of visit: _____

- AHS display gardens should have a minimum of 100 different registered cultivars. Approximate number of registered cultivars: _____.
- AHS Historical daylily display gardens must contain a minimum of 50 historical daylily cultivars and/or species. Historical daylilies are defined as, "all daylily species and daylily cultivars registered 30 years prior to the current year." Approximate number of historical cultivars registered in this garden: _____.

General garden appearance: The garden should be well maintained and generally free of weeds. The growing conditions and culture should show daylilies to their maximum potential. Place a check mark below:

Excellent: _____ Good: _____ Fair: _____ Poor: _____

Comments:

Diversity of Collection: Although an assortment of daylily forms is desired for the display garden, it is not required. How are the following daylily types represented?

- _____ Extra large
- _____ Large
- _____ Small
- _____ Miniature
- _____ Doubles
- _____ Sculpted
- _____ Spiders
- _____ Unusual forms
- _____ Polymerous
- _____ Tetraploids
- _____ Diploids

Plant Labels: Plant labels must be maintained and in good condition, with the names of both the cultivar and hybridizer showing clearly. **Date of registration is optional, but required on the label for historical daylilies.**

Please place a check mark beside all the following that apply:

- _____ Legibility of names
- _____ Labels visible and positioned to easily identify plants
- _____ Hybridizer name present
- _____ Registration date present (for historical gardens)
- _____ Correct identification of cultivars

Accessibility:

Please place a check mark for all the following that apply:

_____ Is the garden open to the public during bloom season?

_____ Is the garden location accessible?

_____ Are the garden paths safe?

When is the approximate peak bloom season? _____

Is this also a hybridizer garden? _____

If yes, approximately how many seedlings are growing? _____

Size of garden: Small (less than one acre) _____ Large (more than one acre) _____

Reviewer's recommendations:

_____ Approval

_____ Conditional approval

_____ Not recommended

Upon completion, please scan and email, or mail the evaluation form to the current AHS display garden chair:
