It is recommended that display gardens have a minimum of 50-100 daylilies. How many cultivars do you currently grow? _____

What forms do you grow? (i.e., doubles, spiders, small, miniatures, large, unusual forms, sculpted, etc.)

Do you have any special themes? (i.e., science fiction, Stout Medal winners, etc.)

Please tell us about your garden! (attach separate sheet if needed)

Having clearly labeled daylilies is critical to a display garden. Do you have legible and visible labels listing the cultivar and the hybridizer's names? _____

If you are interested in becoming a historical display garden, the year of registration should also be on the garden label.

All AHS Display and Historical Gardens will be listed on the official AHS website and in regional newsletters. Display gardens may also be featured in the Daylily e-news.

May your email and contact information be included in these publications?

Yes ____ No ____

May we use photos of your gardens on the AHS website, Daylily enews and regional newsletters? Yes ____ No ____

If you do not have a photo consent form on file with the AHS, we will send you one.

Thank you for submitting your application! The next step is for your garden to be inspected by your Regional president (RP) or designee. Display garden status is renewed on an annual basis and you are required to maintain your AHS membership to be a recognized display garden.
