Honorable Mention

The Honorable Mention portion includes cultivars nominated by their hybridizers. However, they are not the only cultivars you may vote for. If a cultivar is missing that you wish to support, it must (a) not have been registered less than 3 years, (b) not have been on previous ballots the maximum of 3 times, or (c) not been nominated by the hybridizer. Using the write-in space provided, you may vote for any cultivars that you deem worthy that meet the award's criteria. Check the list of previous winners on the AHS website to make certain. Any cultivar registered prior to 2019 which has not previously won this award, and whose hybridizer has met requirements set forth by AHS Registration procedures, is eligible. Consider only those cultivars personally evaluated in established clumps in your own region.

Vote for no more than twelve (12) cultivars by circling their names or by writing in a candidate.

Vote only for cultivars observed in your own region.
