

Application for the registration of registered shares in the share register and power of attorney for the transfer of ownership.

I, the undersigned, hereby authorize Swissquote Bank (hereinafter referred to as « the Bank ») to arrange for the registered shares I have acquired or will acquire at any point in the future in Swiss companies to be entered into the share registers of the respective companies.*

Account #:

Title:

First name:

Last name:

Address:

ZIP/City:

Country:

Date of birth:

Nationality:

1. Entry requirements

I am aware that I may be rejected, either entirely or in part, by the company as a shareholder with voting rights on the basis of statutory restrictions on share registration. I hereby declare that I have acquired the shares:

for my own account and in my own name as my property, and not on a fiduciary or any other basis for a third party
in the capacity of nominee / fiduciary agent in my own name but for the account of a third party

If – in any individual case – the information indicated above does not apply, I will immediately notify the Bank accordingly.

2. Authorization

The Bank is authorized to make this application available to the companies concerned and/or to notify them of both the information provided herein and any subsequent changes. This shall also apply to changes which are brought to the Bank's attention within the framework of its banking relationship with me. I undertake to notify the Bank of any changes to the information provided herein.

3. Power of attorney for the transfer of ownership

I hereby authorize the company concerned to endorse or assign my shares in my name in the event of a transfer of ownership. This power of attorney shall also apply to shares which have already been registered in my name.

This power of attorney shall expire upon death or incapacity to act of the undersigned.

4. Deferred printing

I am aware that any instructions for the transfer of registered shares not physically issued in a certificate or for the printing and delivery of certificates must be affected through the Bank.
