

POSITION:

A multi-currency card tester abroad

yuh

YOUR MISSION

We are Yuh, the new app for paying, saving and investing created by Swissquote and PostFinance. **We are looking for a student** to try out our free debit card on a **trip abroad** this summer. You will have a **credit of 5'000 CHF** which you will have to use to cover **100% of your expenses** (transport, accommodation, food, leisure, activities, etc.).

YOUR GOAL

Travel to the **destination of your choice** with only your ID, your mobile phone and your Yuh card. You will be given a **freelance contract** by Yuh to perform a series of actions with your card during your trip and share your **most mythical experiences** on social networks. A pizza atop the Stromboli? A fado concert in Porto? Shopping at the Helsinki flea market? See how far the Yuh card will take you!

YOUR PROFILE

Do you like impromptu travel? Unusual experiences? Unexpected challenges? Then you have what it takes to get the **best student job of the summer!**

YOUR WAGES

5'000 CHF credited to a Yuh card in your name that you will receive after opening your account.

HOW TO APPLY

Start by following Yuh on [LinkedIn](#), send your application through this [link](#) and tell us in **the most creative way possible** (video, song, sketch, performance, etc.) why you think you're the best Yuh Mastercard tester we could ever dream of and how you'd like to spend the money. We will select the **top 3 candidates** who will be called in for a final interview to see who will get the freelance contract for this **dream job!**

Application deadline: **30/04/22**
