

FX Resources – Important legal information

Swissquote Capital Markets Limited (“Swissquote”) offers on its website (hereinafter the “website”) a financial information service, an exchange-based trading platform and mobile applications. The accessing and use of the website are governed by the Important Legal Information (hereinafter the “Terms and Conditions”) set out herein. These Terms and Conditions shall be supplemented by any and all special agreements applying in connection with a service or product offered by Swissquote where you or your representative (hereinafter “you”) act in a capacity as contracting party. Nevertheless, in the event of any conflict, the provisions contained in any such special agreement shall prevail.

By accessing and using the website, you acknowledge that you have read, understood and agreed to be bound by the Terms and Conditions. Furthermore, you accept that Swissquote may, at any time and without any prior notice requirement, alter the Terms and Conditions. If you do not agree to the Terms and Conditions, do not access or use the website in any way whatsoever.

Local restrictions - provision of cross-border services

The products and services presented on this website are authorized for sale in the European Union and European Economic Area or any other third country where Swissquote is allowed to offer its services. They are not intended for any person/s who, based on their nationality, place of business, domicile or for any other reasons, is/are subject to legal provisions which prohibit foreign financial services providers from engaging in business activities in these jurisdictions, or which prohibit or restrict legal entities or natural persons from accessing websites of foreign financial services providers.

Where Swissquote is not authorized by the supervisory authority of a certain country, Swissquote can as a general rule not promote financial and banking services in that country.

In particular, Swissquote is not authorized by the supervisory authorities of the USA, Canada, United Kingdom, Russian Federation, Japan, Belgium and Turkey. This website may however contain information, in particular about financial services and products offered by Swissquote, that may be considered by the supervisory authorities of the above-mentioned countries as a public offer of financial products or a canvassing targeting persons domiciled in the concerned countries. If you are domiciled in one of the above-mentioned countries, you confirm that you access this website on your own initiative and without any solicitation from Swissquote.

Website Ownership

The website is the exclusive property of Swissquote. Swissquote’s proprietary rights shall not be altered in any way by any reproduction or use of the website.

Copyright and Trademarks

The content and layout of the website are protected by copyright (all rights reserved) and other intellectual property rights, held by Swissquote and the information providers with whom Swissquote operates (hereinafter “third party information providers”).

Information provided on the website may only be downloaded, printed or otherwise reproduced - for personal, non-commercial purposes - provided that the copyright notes and other statutory proprietary designations are retained. You do not acquire rights by reproducing or copying in any way

information available on the website; all rights are retained by Swissquote. You are strictly prohibited from using anywhere other than on the website and from copying in any way whatsoever software or any other tools available on the website.

It is forbidden under any circumstances to set up links, e.g., in the form of hyperlinks or inline links, to this website, to frame it, or to access it through inline links or through a frame, without Swissquote's prior written approval.

It is forbidden to reproduce in whole or in part, transmit by electronic or any other means, modify or use copyright elements of this website for public or commercial purposes without Swissquote's prior written approval.

In no event shall S&P be liable for any indirect, special or consequential damages in connection with subscribers' or others' use of the S&P 500 INDEX.

No Offer or Advice

All the information provided, in particular the opinions, mathematical results and technical analyses published on the website, transmitted to you or obtained via the selection and decision-making tools proposed by Swissquote, is provided for information purposes only and SHOULD IN NO EVENT BE CONSTRUED AS AN OFFER, A PIECE OF ADVICE OR A PERSONAL RECOMMENDATION to buy or sell a particular security or to engage in any transaction whatsoever; nor should the information provided be construed as advice of any other type, for example of a fiscal or legal nature.

All of the investment decisions you take shall be based exclusively on your own assessment of your financial situation and your investment goals, as well as on your own personal interpretation of the information available, in particular the opinions, mathematical results and technical analyses published on the website, transmitted to you or obtained via the selection and decision-making tools proposed by Swissquote. You are solely responsible for such decisions.

Investments in products featuring on the website are subject to certain risks. The price of products may go down as well as up. Fluctuations in foreign exchange rates can also alter the value of securities. The future performance of a security cannot be guaranteed by past performance. It is therefore possible that you do not get back the amount you invest. WE STRONGLY RECOMMEND THAT YOU SEEK PROFESSIONAL ADVICE BEFORE TAKING INVESTMENT DECISIONS.

Exclusion of Liability

Neither Swissquote, its directors, officers, employees, agents or shareholders, nor third party information providers, their directors, officers, employees, agents or shareholders will assume ANY LIABILITY FOR ANY LOSS OR DAMAGES WHATSOEVER, be they direct or indirect, incurred as a result of accessing the website or using the information and services available on the website, or as a result of the inability to access or use any information or services available on the website.

In particular, it is expressly stated that IN NO EVENT WILL SWISSQUOTE, its directors, officers, employees, agents or shareholders BE LIABLE FOR ANY LOSS OR DAMAGES incurred as a result of errors, technical or otherwise, transmission failures, system overloads, usage problems, interruptions in services (including but not limited to system maintenance services), any delay in the transmission of information, incompatibility between the website and your files and/or software (in particular your browser) and/or computer, malfunction, interference, the transmission of a virus onto your computer, unauthorized access (as a result of hacking or piracy activities, for example), the willful blocking of telecommunications tools or networks (as a result of mail-bombing, denial of services attacks, for example) or any other failure or inadequacy on the part of telecommunication or network service providers.

Disclaimer of Warranty

Swissquote and third-party information providers pay particular attention to the preparation and update status of the data provided. Nevertheless, they do not warrant or guarantee, either expressly or implicitly, the quality, pertinence, accuracy, completeness, update status, availability or legality of the information published on the website, transmitted to you or obtained via selection or decision-making tools. In addition, real time information is obtained from what is believed to be a reliable source, but cannot be guaranteed.

Furthermore, information may be changed at any time without any prior notice being required.

Links

The activation of certain links on the website may cause you to leave the Swissquote Capital Market's website. Swissquote does not review any of these linked websites and does not warrant or guarantee, either expressly or implicitly, the quality, pertinence, accuracy, completeness, update status, availability or legality of the content of these sites, nor shall it be in any way responsible for the products, services, information and other content offered via these linked sites. The same applies to websites offering links to Swissquote Capital Market's website.

Furthermore, prior written approval must always be obtained before a link from an external site to Swissquote Capital Market's website can be created.

Material Interests

Swissquote, its directors, officers, employees, agents or shareholders may have or have had business relationships or other forms of dealings with companies whose securities feature on the website. Furthermore, Swissquote, its directors, officers, employees, agents or shareholders may hold or have held securities which feature on the website.

Confidentiality and Encryption

Your attention is drawn to the fact that the data exchanged between yourself and Swissquote is transmitted via open, public networks (such as the Internet) that are not subject to any controls or reviews. The data transferred may travel beyond Cyprus's borders, even if both yourself and

Swissquote are located in Cyprus. In addition, even if the data transmitted is encrypted, it may not necessarily stay encrypted for the entire duration of the transmission, nor may it necessarily remain encrypted at your end: it is possible that data may be intercepted.

Furthermore, you hereby declare that you have taken note that the legislation applicable in your country may prohibit or restrict the importing, exporting or use of encryption algorithms. In no event shall Swissquote be responsible for any violations of measures governing the importing, exporting or use of encryption algorithms.

Lastly, your attention is drawn to the fact that information transmitted electronically, e.g. by e-mail or SMS, is in principle not encrypted and may be intercepted.

Confidentiality in Respect of User IDs and Passwords

You are obliged to keep user IDs, passwords and other means of identification secret. To this end, you must not store your user IDs, passwords or other means of identification in your browser and you must delete all temporary files stored in your cache memory as well as your surfing history. You are solely responsible should such means of identification be communicated to, discovered or misused by a third party, and for any and all losses and damages resulting there from.

You have taken note of the fact that you are required to disconnect from the identification services proposed by Swissquote before leaving your Internet station. To do this, you must close all your browser windows showing the site.

Registration and Use of Your Activities on the Website

Please note that Swissquote records and analyses all your activities on the website with the help of cookies for the purposes of statistical study (in particular tracking and analyzing data pertaining to the process of opening an account), security, system monitoring, management, marketing and compliance with legal and regulatory obligations incumbent on Swissquote. Data such as IP address are collected in this respect and sent to third-party services Swissquote calls upon. Said third party can be located outside Cyprus. Swissquote undertakes to treat such information using security measures Swissquote deems appropriate.

Place of Jurisdiction

The sole place of jurisdiction for all disputes arising out of or in connection with the Terms and Conditions stipulated herein and/or the use of the website is Cyprus. Swissquote nevertheless reserves the right to initiate proceedings against you before the competent court at your domicile or any other competent authority.

Severability and Choice of Law

In the event of one of the Terms and Conditions being void, cancelled or rendered otherwise invalid, the validity of the remaining Terms and Conditions shall not be affected or impaired. In all other instances, the Terms and Conditions as well as the use of the website are exclusively governed by and construed in accordance with Cyprus law.
