(referred to below as the «Principal»):

The undersigned Principal hereby appoints

(hereinafter referred to as the «Attorney»),

to act as his/her Attorney⁽¹⁾. The Attorney has the following relationship with the Principal (spouse, partner, life companion, father/mother, son/daughter, sibling, uncle/aunt, friend, other relationship):

The authority that is granted is unlimited, **without any right of substitution**. It entitles the Attorney to represent the Principal in dealings with Swissquote Bank (referred to below as the «Bank») and in particular to dispose of all assets deposited with the Bank in the name of the Principal under the above-mentioned account number and to take on liabilities.

The Attorney is also particularly authorised to dispose of the securities and other assets kept by the Bank in the name of the Principal and of balances in accounts and also to take out loans, to sell, pledge, convert or disinvest securities and other assets and also to make deposits and withdrawals in any form. The Attorney has the right to sign all statements, settlements receipts, statements of exoneration (discharge), verifications, assignments and transfer, to issue, accept, endorse or to acknowledge bills of exchange, cheques, instructions or similar papers of any kind, to receive correspondence, statements of account, securities account statements and lists, to select a place of jurisdiction and, in addition, to do everything that he/she considers to be expedient or necessary. The authority granted also includes dispositions made by the Attorney in his/her own favour or in favour of third parties and the right to close accounts/securities accounts. It is a matter for the Attorney and not a matter for the Bank to immediately inform the Principal of acts performed by the Attorney. The signatures and all other statements and measures of the Attorney are fully binding on the Principal. The Principal confirms the authenticity of the Attorney's signature.

It is expressly stated that the appointment made in executing this Power of Attorney will not end in the event of the incapacitation or death of the Principal, but shall remain in force (Article 35 of the Swiss Code of Obligations).

1 Attorney here means «agent» or «one who acts for another» and does not have the US American meaning of «attorney-at-law» (lawyer), but would be «attorney-in-fact» in US parlance.

The present Power of Attorney shall be exclusively governed by Swiss law. The place of performance, the place of judicial execution (the latter only for persons domiciled abroad) and **the sole place of jurisdiction** for all disputes in connection with this Power of Attorney is **Gland in Switzerland**.

The Bank, however, is also entitled to assert its rights in the place where the Principal is domiciled or before any other competent authority, notwithstanding the fact that only Swiss law shall apply.
