

# In 2021, the impact of your fundraising helped **change kids' health to change the future.**

**Carilion Children's** offers a 24-bed inpatient unit to care for patients with a wide variety of issues. While patients are in the hospital, the five member pediatric hospitalist team works very closely with our pediatric subspecialists and surgical specialists to provide the best care possible. With support from Children's Miracle Network Hospitals®, we provide top care and facilities for all the children and their families of our community.
