**Sacred Heart Children's Hospital** is committed to meeting the unique needs of children and families in the Inland Northwest. We house neonatal and pediatric intensive care units, a nationally recognized surgery center, cancer unit, emergency and trauma center, and programs for children with developmental disorders. We offer child life specialists, art and music therapy, and other supportive programs that ensure our kids receive the very best care in a kid-friendly, family-centered environment.

## KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
