

# In 2021, the impact of your fundraising helped **change kids' health to change the future.**

As the number one children's hospital in Virginia, **UVA Children's** is dedicated to the care of children from birth through adolescence. UVA Children's serves over 100,000 patients from Virginia and beyond in its 114-bed hospital and outpatient clinics annually. Its goal is to enhance the health and wellbeing of children and families through collaborative medical care, education, research, and community service. This is possible due to philanthropic support from our local partners and community.

## KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
