

# In 2021, the impact of your fundraising helped change kids' health to change the future.

**WVU Medicine Children's** provides the greatest range of pediatric specialty and high-risk maternal care in West Virginia. We're a family of doctors, nurses, and other professionals who share the same goal: to build healthier futures for our children. Through community support, we ensure families receive world-class care closer to home. Our team offers expertise in nearly every childhood condition, no matter how rare or serious. This means every child can get the right diagnosis and the right treatment.

## KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
