

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

**Renown Health** is focused on being the destination for health and healthcare needs for families. As the region's only not-for-profit health system, Renown relies heavily on community funding. Renown Health Foundation builds financial support through fundraising efforts that provide critical revenue for innovation, top quality care services, technology, programs, and equipment to meet the growing needs of the communities we serve.

## KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
