

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

El Paso Children's Hospital Foundation provides the highest level of pediatric care in West Texas and Southern New Mexico. Since our opening, we have decreased the outmigration for pediatric subspecialty and surgical care. Before, approximately 650 pediatric patients had to leave El Paso. Now we have had over 5,000 neonatal intensive care unit (NICU) graduates, 300 NICU transports, 120,000 ED visits, over 3500 pediatric intensive care unit (PICU) discharges and 80,000 total pediatric visits.

KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
