

# In 2021, the impact of your fundraising helped **change kids' health to change the future.**

At Golisano Children's Hospital at the University of Rochester Medical Center, our goal is to help every child reach their fullest potential. Through our advanced technology, research and education, we are able to provide the highest level of care to more than 85,000 children each year. Community support is more important than ever in helping us reach our goals, and Children's Miracle Network Hospitals® is at the forefront of that philanthropy.

## KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
