

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

At **Baylor Scott & White McLane Children's Medical Center**, we know children are not mini-adults, and their health care requires specialized equipment, training, and support programs. From smaller tools to our Child Life program, everything at McLane Children's is designed specifically with children and families in mind. We seek to ensure every child in our community has a healthy future with help from Children's Miracle Network Hospitals®.

KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.

7%

helps provide **charitable care** to patients

Every day, member hospitals treat

1,718

kids for **cancer**
