

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

As **Dell Children's Medical Center** continues to grow, we are committed to the "Dell Children's Difference" which means rewriting the standard of care for our patients. By establishing sustainable psychosocial services aimed at serving every patient in need, we can improve access, create equity, and ensure the best outcomes for our patients and families, which is a priority to us as a Children's Miracle Network Hospital®.

KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
