

# In 2021, the impact of your fundraising helped **change kids' health to change the future.**

The **Bill and Olivia Amos Children's Hospital at Piedmont Columbus Regional** is dedicated to making a positive difference for the children so families don't have to travel far to receive the care they need. Children's Miracle Network Hospitals® brings together our community to raise funds necessary to meet those needs. The funds raised are helping build a facility dedicated to children with pediatric programs, services, and specialists needed to address the most challenging health issues.

## KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
