

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

Children's of Mississippi is dedicated to ensuring every child has access to the best possible care, regardless of their ability to pay. By bringing together local businesses, students, gamers, and golfers to raise the critical funds necessary to meet our most urgent needs, our collective impact grows exponentially. Through community support we can improve pediatric care, addressing the most challenging health issues of today, while preventing and preparing for those to come tomorrow.
