

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

St. Luke's Children's believes that all children should have access to the highest quality health care services available. As a member of Children's Miracle Network Hospitals, St. Luke's is committed to high quality, cost-effective clinical care, advocacy for children and families, education, and research. We are grateful for the community partners who provide the critical funds to support the programs and services we provide.

KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
