

In 2021, the impact of your fundraising helped change kids' health to change the future.

At Children's Hospital of Richmond at VCU, we nurture the champion in every child. We combine award-winning clinical care, research, and education with an uncanny understanding of what makes kids unique. From simple to complex, we do everything in our power to give kids the best shot at a healthy future. More than 70,000 children rely on CHoR for medical care each year, and the driving force behind our ability to provide exceptional care is philanthropic support.

KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.

Every day, member hospitals treat*
