

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

Sanford Children's Hospital in Sioux Falls, South Dakota, is fueled by generous donors who believe every child deserves a healthy future. Every gift supports the good that is felt and seen, from fairytale spaces to life-saving equipment, patient services, research, and more. This helps us recruit and retain expert caregivers in 35 pediatric specialties, maintain the most advanced neonatal intensive care unit (NICU) in the Dakotas, and deliver world-class care to 12,000 local children each year.
