

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

Hurley Children's Hospital, the beacon of health care in our region, provides families with specialized care, expertise, and miracles. There is comfort in knowing that the only teaching hospital in 15 counties is leading in treatment and technology to give children the best chance of recovery and wellbeing. That critical support not only guarantees families access to care, but access to that highest level when only the best will do.
