

# In 2021, the impact of your fundraising helped **change kids' health to change the future.**

As **Our Lady of the Lake Children's Hospital** celebrates our second anniversary, we acknowledge the many blessings and achievements we have accomplished. We are reminded of our mission and are genuinely inspired to strengthen our commitment to the children we serve. Thanks to the generosity of our partners, we continue to invest in our health care infrastructure and state-of-the-art technologies so that Louisiana's kids have access to the best pediatric care right in Baton Rouge.

## KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
