

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

Our brand-new **UMC Children's Emergency Center** is an emergency room just for kids, with access to more resuscitation and trauma rooms for children than any other hospital in West Texas. UMC Health System has the only Level I Trauma Center in West Texas and eastern New Mexico, which means a full trauma team is at the hospital 24/7 ready to treat our region's most critically injured children. We are also home to the region's only verified burn center for children.

KEY FUNDING AREAS
