

# In 2021, the impact of your fundraising helped **change kids' health to change the future.**

For the last 26 years, **San Jorge Children's Foundation** has been essential in ensuring that every pediatric patient in Puerto Rico who is experiencing a catastrophic illness can receive the high quality medical treatment every child deserves. Our focus is and always will be to help the children of Puerto Rico live a better quality of life. With the help of Children's Miracle Network Hospitals, we can achieve that focus.

## KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
