

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

UC Davis Children's Hospital is the Sacramento region's only nationally ranked, comprehensive hospital for children. We serve infants, children, adolescents, and young adults with primary, subspecialty and critical care. It includes the Central Valley's only Level I pediatric trauma center, which offers the highest level of care for critically ill children. It is also home to the first Level I children's surgery center on the West Coast and fourth in the nation.

KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
