

# In 2021, the impact of your fundraising helped **change kids' health to change the future.**

As a Children's Miracle Network Hospital®, **Hendrick Children's Hospital** is fully committed to our goal and desire to see that every child in Abilene and the surrounding counties has a healthy future. Through the support of our community, we will continue to improve pediatric care, addressing the most challenging health issues of today while preventing and preparing for those to come tomorrow.

## KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
