

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

Asante is home to the region's only level III Neonatal Intensive Care Unit, certified OB Emergency Department, inpatient Pediatric Department and the only Pediatric Oncology and Infusion Clinic between the Bay Area and Portland. Asante is constructing a new patient pavilion that will house a new women's and children's hospital on the top two floors, assisted by funds through Children's Miracle Network Hospitals®.

KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
