

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

Ascension Via Christi is a regional leader in health care with three hospitals and numerous clinics providing services to sick and injured children in South Central and Western Kansas. Our critical community partners through Children's Miracle Network Hospitals® assist us in providing programs, equipment, and innovative care to best serve the youngest populations across the state.

KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
