

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

Rady Children's Hospital-San Diego relies on Children's Miracle Network Hospitals® fundraising to support programs and services that help our community's most vulnerable children and families. Investments in areas of greatest need at Rady Children's help support underfunded patient care and programs that rely strictly on philanthropy to operate. Supporting Rady Children's through Children's Miracle Network Hospitals® helps ensure patients get expert care they deserve exactly when they need it.
