

In 2021, the impact of your fundraising helped change kids' health to change the future.

Every year, thousands of brave children and their families are impacted by **The Barbara Bush Children's Hospital (BBCH)** at Maine Medical Center. Their strength and ability to overcome life-threatening illnesses and injuries is not only a tribute to the care they receive at BBCH, but also serves as an inspiration to all of us. We have a bold vision for building a healthier region: one child, one family, and one community at a time.

KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
