

# In 2021, the impact of your fundraising helped **change kids' health to change the future.**

The mission of **Children's National Hospital** is to excel in care, advocacy, research, and education. We accomplish this through providing a quality health care experience for our patients and families, improving health outcomes for children regionally, nationally and internationally, and leading the creation of innovative solutions to pediatric health challenges. We also know that making diversity and inclusion a priority is critical to achieving our mission.

## KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
