

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

Children's Hospital Colorado is dedicated to providing a place where kids can be kids while receiving expert, individualized care. By partnering with local businesses, gamers, students, golfers, and runners to raise critical funds to support our most urgent and strategic needs, the impact and outcomes for our patients and families increases exponentially. Through this community support, we are able to improve pediatric care and expand research for a better future for our kids.
