

# In 2021, the impact of your fundraising helped **change kids' health to change the future.**

**Children's Hospital of The King's Daughters** is lighting the way to better mental health care for children. Through funds raised from our generous donors and corporate partners, CHKD is opening a 14-story, \$224 million pediatric mental health hospital and outpatient center in 2022. With support from our community and Children's Medical Network Hospitals®, we can change the trajectory of our children's lives and create a brighter future.
