

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

Ann & Robert H. Lurie Children's Hospital of Chicago provides superior pediatric medical care using the latest benefits and innovations in medical technology, research, and family-centered design. Located in downtown Chicago on the campus of its academic partner, Northwestern University Feinberg School of Medicine, Lurie Children's is dedicated to the health and well-being of all children, including underserved patient populations and marginalized children.

KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.

11%

helps provide **charitable care** to patients

Every day, member hospitals treat

1,718

kids for **cancer**
