

# In 2021, the impact of your fundraising helped **change kids' health to change the future.**

**Children's Hospital of Philadelphia (CHOP)** is the nation's first hospital devoted exclusively to the care of children. Since 1855, CHOP has delivered safe, quality, family-centered care, and fostered breakthrough discoveries that have improved health care and saved countless lives. Our care and innovation repeatedly earn us a spot on the *U.S. News and World Report's* Honor Roll of the best children's hospitals.
