

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

Shodair Children's Hospital continues to ensure every child in our state as a healthy future. By bringing together local businesses, community members and leaders across the state, our impact grows exponentially as work to raise the critical funds necessary to meet our most urgent needs. Through community support we can improve psychiatric care for our youth, addressing the most challenging health issues of today, while preventing and preparing for those to come tomorrow.

KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
