Prisma Health Children's Hospital—Midlands

Prisma Health Children's Hospital—Midlands is South Carolina's first children's hospital and has more than 150,000 visits from children each year. We offer more than 30 subspecialties and a team of 350 health care professionals to meet the unique health care needs of children, in addition to having central South Carolina's only children's emergency center. Your donations help our team carry out the promise to inspire health, serve with compassion and be the difference.
