

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

A gift to **Johns Hopkins Children's Center**, part of Children's Miracle Network Hospitals®, helps us remain a place of hope and compassion and provides the resources we need to deliver world-class care to children and their families. Your support makes a difference in our health and wellness programs and services, our efforts to advance pediatric medicine through research and treatment, and our ability to train young pediatricians to combine compassion and skill in delivering medicine.
