

# In 2021, the impact of your fundraising helped **change kids' health to change the future.**

The **Lauren Small Children's Center at Bakersfield Memorial Hospital** continues to enhance children's services in Kern County as a part of Children's Miracle Network Hospitals®. Because of the giving spirit in our community, we have been able to open the only Pediatric Intensive Care Unit (PICU) and the only children's emergency department within 100 miles. In 2022, we will begin construction on two new operating rooms dedicated to pediatrics.

## KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
