

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

HSHS St. John's Children's Hospital makes a difference in the lives of children and their families by delivering exceptional health care in a healing environment. Despite the challenges of COVID, our community partners, donors, students, colleagues, and stakeholders came together to increase our impact for patients with the opening of a state-of-the-art Neonatal Intensive Care Unit (NICU) and the Panda Cares Center of Hope in 2021.

KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
