

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

Centra Lynchburg General and Virginia Baptist Hospitals are determined to ensure every child in our community has a healthy future. By bringing together local businesses, students, and community members to help raise the critical funds necessary to meet our most urgent needs, our collective impact grows exponentially. Through community support, we can improve pediatric care by helping ensure that local children have the specialized care they need and deserve.
