

# In 2021, the impact of your fundraising helped change kids' health to change the future.

The Children's Hospital of San Antonio is a world-class children's hospital with 800,000 sq ft and 220 family-centered private patient rooms, providing inpatient care to 5,000 children, 83,000 outpatient visits and 80,000 emergency visits on average per year. With specialized programs to suit the individual needs of our patients and families – with top-of-the line neonatal and pediatric intensive care, counseling, and therapeutic services- we extend whole-health treatment from caring professionals.

## KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
