

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

Intermountain Primary Children's Hospital is working to build the nation's model health care system for children. When it comes to ensuring pediatric health, Intermountain Healthcare has consistently been a parent's steadfast partner. With the help of our Children's Miracle Network Hospitals® partners, we will propel our mission of "The Child First and Always®" forward, because there is nothing more precious than the vulnerable lives entrusted to us.

KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
