

# In 2021, the impact of your fundraising helped **change kids' health to change the future.**

At **Seattle Children's Hospital**, we fight relentlessly to make sure there's no such thing as "out of options" and to make sure kids who "didn't have a chance" can have the childhoods they deserve. We're united by a compelling mission: we provide hope, care, and cures to help every child live the healthiest and most fulfilling life possible - and we do this through the generous support of our community and partners like Children's Miracle Network Hospitals®.

## KEY FUNDING AREAS

Children's Miracle Network Hospitals' fundraising partners and programs are the key to positively changing kids' health and redefining positive outcomes for communities. Through our collective efforts, we provide member hospitals with the critical funds they need to advance pediatric healthcare at-large, ultimately improving individual patients' health, protecting our children's futures and enhancing our communities.
