

In 2021, the impact of your fundraising helped **change kids' health to change the future.**

The **Children's Hospital at Providence** is determined to ensure every child in our community has a healthy future. By bringing together local businesses, students, and community members to help raise the critical funds necessary to meet our most urgent needs, our collective impact grows exponentially. With this support we can improve pediatric care, address the most challenging health issues of today, and prepare for those to come tomorrow.
